## Brief Report of Session

Due to an Eid event for children, we were moved from the main hall and the second hall upstairs. Our session covered the importance of being organised and having a plan for life. We discussed how one can integrate all aspects of life into one's day. For example, studying, going to school, spending time with family, doing good deeds can all be forms of worship.

We then had a large meal of peri chicken, peri burgers and pizzas. We then broke to play the chaos game, which involved having no teams and throwing balls at one another. The older boys found this too much, so abandoned the game early. The younger boys loved the game and were thoroughly entertained.

## Incidents or Accidents

None
